

JOB DESCRIPTION

Financial Analyst

We are seeking a highly skilled and motivated Financial Analyst to join our team. The successful candidate should be highly analytical and numerical, should comply with procedures and regulations and be able to work collaboratively with cross-functional teams.

Responsibilities:

- Preparation of monthly and quarterly and annual reports on budgeting, forecasting and other reporting activities
- Development and maintenance of financial / operational reports and models
- Participation in Budgeting & Planning Process
- Analysis under IFRS provisions
- Liaising with other departments to compile and review operational information
- Performing financial analysis and making suggestions to improve performance and strategy

Key Skills & Experiences:

- A Bachelor's degree in Accounting, Finance or Business Administration
- 2-4years of experience in an Accounting / Reporting / Auditing / Financial Analyst role
- Excellent knowledge of MS Office
- ERP knowledge will be considered an asset
- Excellent command of the English language (both written and spoken)
- Outstanding attention to detail, accuracy, and ability to multitask
- A collaborative, reliable and solutions-oriented approach

We offer:

- Attractive remuneration package
- Private health and medical insurance
- Challenging work environment with international exposure
- Continuous personal development

If you are interested in working with us, please send your CV to hr@veraltis.gr.

All applications will be treated with strict confidentiality.
